The local Knights of Pythias held an important meeting last evening. A number of new members were initiated and a number of visitors were present from other lodges of the order in Butte. Among the visitors was Grand Chancellor Gallagher at Butte. He was given a very fitting reception.

Corinne.

Wednesday evening at Evans opera house Corinne will present to the patrons of their opera house the most elaborate and expensive burlesque production known to the American stage—a production such as this city has seldom an opportunity to witness. The Kimball Opera Comique and Burlesque company, supporting the famous Corinne, the queen of burlesque, will introduce "Carmen," a spectacular comic opera burlesque in three acts. It is a burlesque in the fullest sense of the word, abounding in scenes and situations of the most ridiculous character. Corinne has made the success of her life in the title role—or rather that of Carmen-cita. Her execution of the wonderful Spanish dances has attracted the attention of the universe. The company consists of 60 members, all of whom appear on the stage at one time during the action of many of the scenes. The spectacular effect will be of a character such as we have often heard but rarely had the opportunity to see.

Frank Daniels' Welcome.

The visit to Anaconda of that clever comedian, Frank Daniels, is an event of much gratification among a numerous class of our theater goers. He has a quaintness about him possessed by no other comedian engaged in farcical work at the present time. He is at all times irresistibly funny, and certainly is inimitable in his special line of comedy characteristics. He has quietly and good naturally wormed himself into the affections of this big fun-loving and quick-witted nation, and, as intimated above, the announcement of his return here will be welcomed. He will present at the opera house Thursday night that fantastically ludicrous piece, "Little Puck," which has been freshened up this season with a lot of new music, songs and dancing. The company is also very nicely mounted. Miss Jessie Saxon still heads the bevy of pretty and clever girls. Mr. Daniels has in his company. The company this season numbers over 25 people, and includes Bert Coote, Tony Williams and Robert Evans.

Lincoln was assassinated at Ford's theater but A. O. Miller will sell fifty-eight lots 15x42 feet each on May the 12 in Boise City at prices that will be satisfactory to all purchasers. Everybody wishing to invest in a growing city in property in which there can be no loss—but phenomenal gains should go and see this splendid property as it is the last offer that will be made. This is the only chance to choose from so many valuable lots in "Boise the Beautiful."

A Scandinavian revival meeting will be held in the M. E. Church South, Anaconda, and begin May the 6th at 8 o'clock p.m., and last over Sunday, the 8th. Three preachers have promised to be present—Rev. P. Lindberg from Minneapolis; Rev. H. Lindeman, Helena; Rev. P. Peterson, Butte. All invited. I ask an interest in the Christian's prayers for God's blessing over the meeting. Rev. O. Morten.
